TRUST FOR ANIMAL
TAXONOMY**

Eminent experts
in the field of
insect taxonomy
will be handling
the sessions.

Venue:
Organizer:
Collaborators:

Kerala Forest Research Institute, Peechi, Thrissur, Kerala
Prof. T C Narendran Trust for Animal Taxonomy
Kerala Forest Research Institute
Department of Zoology, University of Calicut

About the workshop:

The workshop is aimed at training researchers/students engaged in insect related research works. We welcome anyone who is interested in studying insects and their life to this course. The course will provide you with an understanding of basic principles of taxonomy, skills in collecting, preparing and curating specimens, and how to identify some common families of major insect orders such as Coleoptera, Lepidoptera and Hymenoptera. Sessions on biocontrol and entrepreneurship in entomology will also be part of the workshop.

- Boarding and Lodging at KFRI (dormitory facility)
- Field visit at KFRI campus and nearby places

Applicants: Apply with a write up (~200 words) on the purpose for attending this workshop and expected outcome from the workshop. Please submit the google form.

Registration fee:

Rs.6000/-

Participants may send the application and on confirmation shall make the payment

Last date of Application:

18 Apr 2025
